## Emergency Community Outreach

Power outages, extreme cold, fires and flooding are all part of life in Georgetown. We are lucky to live in a place where family, friends, and neighbors pitching in and providing support as needed is the norm.

The collective groups who serve this town want to ensure that every Georgetown resident knows how to get help in the event of an emergency incident. While our reach is greater than it ever has been, we would really like to know all of our neighbors are being looked in upon, at the very least.

If you or someone you know would like to be included in an emergency contact system during a high-risk situation such as a power outage, forest fire, flood risk, or other urgent event, please let us know. We will then identify the means of contact that you prefer: a telephone call, email, or visit.

Please share this message with anyone you think might be interested. To opt in to this system, or if you have any questions, please contact Jim Peavey at [gtagefriendly@gmail.com](mailto:gtagefriendly@gmail.com) or 207-387-0440.
