

Maximize your fuel savings at the pump

When you **switch to Irving Energy** for your home heating oil or propane, you'll **save 25¢ per gallon** at Irving Oil gas stations for up to two years.

Plus, with an Irving Rewards card you'll have four additional ways to earn fuel savings at the pump, every day!

1. At the pump

Save **10¢ per gallon** at our gas stations with every 50 gallons purchased at the pump.

2. In the store

Save **5¢ per gallon** at our gas stations with every \$50 spent in the store.

3. With Irving Debit Pay

Save **6¢ on every gallon** at our gas stations, every time you pay with your Irving Rewards card.

4. At home

Save **5¢ per gallon** at the pump with every 50 gallons of home heating fuel delivered from Irving Energy. That's in addition to the 25¢ per gallon savings you'll get when you make the switch.
